The Competition DG makes the information provided by the notifying parties in section 1.2 of Form CO available to the public in order to increase transparency. This information has been prepared by the notifying parties under their sole responsibility, and its content in no way prejudices the view the Commission may take of the planned operation. Nor can the Commission be held responsible for any incorrect or misleading information contained therein.

M.9592 - FREUDENBERG / L&B

Description of the concentration

Following a successful referral request pursuant to Article 4(5) of the Council Regulation (EC) 139/2001, the European Commission now received a notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) 139/2004 by which Freudenberg & Co. KG intends to indirectly acquire 100% of the ordinary issued share capital and sole control over Low & Bonar PLC, a UK listed company.

The primary business activities of the undertakings concerned are:

- for Freudenberg & Co. KG and its group of companies: development, manufacture and sale of a broad spectrum of products, ranging from seals and nonwovens to medical components, vibration control products, filters, specialty chemicals, household products, lubricants, coatings, and cleaning services, roofing, insulation and composite materials.
- for Low & Bonar PLC and its group companies: production and supply of nonwovens, three-dimensional polymeric structures and technical coated textiles.
