MERGER PROCEDURE
ARTICLE 6(1)(b) DECISION

SIMPLIFIED PROCEDURE

To the notifying parties:

Dear Madam(s) and/or Sir(s),

**Subject: Case No COMP/M.5794 – RAMSAY HEALTH CARE/ PREDICA/ GROUPE PROCLIF
Notification of 25.02.2010 pursuant to Article 4 of Council Regulation (EC) No 139/2004¹
Publication in the Official Journal of the European Union No C054, 04/03/2010, p. 24.**

1. On 25.02.2010, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which the undertakings Ramsay Health Care ("Ramsay", Australia) and Predica (France), belonging to the Groupe Crédit Agricole ("GCA", France), acquire within the meaning of Article 3(1)(b) of the Council Regulation joint control of Groupe Proclif SAS ("Groupe Proclif", France) by way of purchase of shares.

¹ OJ L 24, 29.1.2004, p. 1. With effect from 1 December 2009, Articles 81 and 82 of the EC Treaty have become Articles 101 and 102, respectively, of the Treaty on the Functioning of the European Union ("TFEU"). The two sets of provisions are, in substance, identical. For the purposes of this Decision, references to Articles 101 and 102 of the TFEU should be understood as references to Articles 81 and 82, respectively, of the EC Treaty where appropriate. The TFEU also introduced certain changes in terminology, such as the replacement of "Community" by "Union" and "common market" by "internal market". The terminology of the TFEU will be used throughout this Decision.

2. The business activities of the undertakings concerned are:
 - Ramsay: operation of private hospitals and day surgery facilities in Australia, Indonesia and the United Kingdom;
 - Predica: insurance and financial services;
 - Groupe Proclif: operation of private hospital services in France.
3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5 (c) of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004².
4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation.

For the Commission

Alexander ITALIANER
Director General
