SIMPLIFIED PROCEDURE

To the notifying parties:

Dear Madam(s) and/or Sir(s),

**Subject: Case No COMP/M.5860 – COOPER/ DANAHER/ JV
Notification of 23.04.2010 pursuant to Article 4 of Council Regulation (EC) No
139/2004¹
Publication in the Official Journal of the European Union No C 111,
30.04.2010, p.30**

1. On 23.04.2010, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which the undertakings Cooper Industries plc. ("Cooper", Ireland) and Danaher Corporation ("Danaher", USA) acquire within the meaning of Article 3(1)(b) of the Merger Regulation joint control of a JV which combines parts of their respective tools businesses by way of transfer of assets.

¹ OJ L 24, 29.1.2004, p. 1 ("the Merger Regulation"). With effect from 1 December 2009, the Treaty on the Functioning of the European Union ("TFEU") has introduced certain changes, such as the replacement of "Community" by "Union" and "common market" by "internal market". The terminology of the TFEU will be used throughout this decision.

2. The business activities of the undertakings concerned are:
 - for undertaking Cooper : manufacturing, marketing and selling of electrical products and tools;
 - for undertaking Danaher : design, manufacturing and marketing of industrial and consumer products in the business area of professional instrumentation, medical technologies, industrial technologies, and tools & components;
 - for the JV: manufacturing and selling of hand tools, power tools, chain products, soldering products, and specialty products.
3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(c) of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004².
4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation.

For the European Commission,
(signed)
Alexander ITALIANER
Director General
