Publication in the Official Journal of the European Union No C 350,
25/11/2010, p.25

1. On 16/11/2010, the European Commission received a notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 by which CRH Deutschland GmbH ("CRH", Germany), belonging to the group CRH Plc Group (Ireland), acquires within the meaning of Article 3(1)(b) of the Merger Regulation control of the whole of BauKing AG ("BauKing", Germany) by way of purchase of shares.
2. The business activities of the undertakings concerned are:
 - for CRH : production and distribution of building materials and products for the construction industry ;
 - for BauKing : Do-it-yourself outlets and builders' merchants.

¹ OJ L 24, 29.1.2004, p. 1 ("the Merger Regulation"). With effect from 1 December 2009, the Treaty on the Functioning of the European Union ("TFEU") has introduced certain changes, such as the replacement of "Community" by "Union" and "common market" by "internal market". The terminology of the TFEU will be used throughout this decision.

3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(c) and 5(d) of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004².
4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation.

For the Commission,

(signed)
Alexander ITALIANER
Director General
