No 139/2004¹ and Article 57 of the Agreement on the European Economic Area²**

Dear Sir or Madam,

1. On 29 June 2017, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which the undertakings SEGRO plc ('SEGRO', United Kingdom) and Public Sector Pension Investment Board ('PSPIB', Canada) acquire within the meaning of Article 3(1)(b) of the Merger Regulation, through SEGRO European Logistics Partnership S.à r.l. ('SELP', Luxembourg), joint control over an income producing logistics asset ('Morgane Portfolio', France) by way of purchase of assets.³
2. The business activities of the undertakings concerned are:
 - for SEGRO: ownership, asset management and development of modern warehousing and light industrial properties located around major conurbations and at key transportation hubs across a number of EU countries,
 - for PSPIB: investment of net contributions to the pension funds of the federal Public Service, the Canadian Forces, the Royal Canadian Mounted Police and the Reserve Force. It manages a diversified global portfolio including stocks, bonds and other fixed-income securities, and investments in private equity, real estate, infrastructure, natural resources and private debt,
 - for Morgane Portfolio: a logistics asset located in Nîmes, France.

After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(a) and 5(c) of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004.⁴
4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.
