Dear Sir or Madam,

1. On 19 September 2017, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which Platinum Equity Group (USA) acquires within the meaning of Article 3(1)(b) of the Merger Regulation whole control of Pattonair Holdings Limited (UK).³
2. The business activities of the undertakings concerned are:
 - for Platinum: specialised in the merger, acquisition and operation of companies that provide services and solutions to customers in a broad range of businesses, including information technology, telecommunications, logistics, metal services, manufacturing and distribution.
 - for Pattonair: global aerospace distributor with strong supply chain management capabilities, providing aircraft parts distribution and value-adding logistics and supply chain management services. It has a strong focus on C-class parts for engines and aircraft systems.

With effect from 1 December 2009, the Treaty on the Functioning of the European Union ('TFEU') has introduced certain changes, such as the replacement of 'Community' by 'Union' and 'common market' by 'internal market'. The terminology of the TFEU will be used throughout this decision.

² OJ L 1, 3.1.1994, p. 3 (the 'EEA Agreement').

³ Publication in the Official Journal of the European Union No C 319, 26.09.2017, p. 6.

3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(b) of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004.⁴
4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.
