No 139/2004¹ and Article 57 of the Agreement on the European Economic Area²**

Dear Sir or Madam,

1. On 13 February 2018, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which Apollo Capital Management, LP ("Apollo", United States of America), acquires within the meaning of Article 3(1)(b) of the Merger Regulation joint control over the whole of the undertaking CBR Fashion Holding GmbH ("CBR", Germany), by way of purchase of shares.³
2. The business activities of the undertakings concerned are:
 - Apollo: management of several investment funds that invest globally in companies and debt issued by companies in various businesses such as chemical, cruise line, hospital, security, financial services and glass packaging;
 - CBR: design, wholesale and retail of women's apparel.
3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(c) of

¹ OJ L 24, 29.1.2004, p. 1 (the 'Merger Regulation'). With effect from 1 December 2009, the Treaty on the Functioning of the European Union ('TFEU') has introduced certain changes, such as the replacement of 'Community' by 'Union' and 'common market' by 'internal market'. The terminology of the TFEU will be used throughout this decision.

the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004.⁴

4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.
