Dear Sir or Madam,

1. On 18 June 2018, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which the undertaking H.I.G. Capital LLC ("H.I.G. Capital", US) through its portfolio company Valtris Specialty Chemicals Limited ("Valtris", UK) acquire within the meaning of Article 3(1)(b) of the Merger Regulation control over the whole of the undertakings INEOS Enterprises France SAS (France), INEOS Champlor SAS (France) and certain assets held within INEOS Enterprises Group Limited (IEGL) (together "the Baleycourt business") and INEOS ChloroToluenes Limited ("the ICT business", UK) by way of purchase of shares and assets.³
2. The business activities of the undertakings concerned are:

With effect from 1 December 2009, the Treaty on the Functioning of the European Union ('TFEU') has introduced certain changes, such as the replacement of 'Community' by 'Union' and 'common market' by 'internal market'. The terminology of the TFEU will be used throughout this decision.

- 4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.
