Dear Sir or Madam,

1. On 5 February 2019, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which the undertaking Nalka Invest AB ('Nalka Invest', Sweden, through its portfolio company Strukturfonden HC15 AB (Sweden)), belonging to the Interogo Group, which is ultimately controlled by the Interogo Foundation (Liechtenstein), acquires within the meaning of Article 3(1)(b) of the Merger Regulation sole control over the whole of OneMed AB ('OneMed', Sweden) by way of purchase of shares.³
2. The business activities of the undertakings concerned are:
 - for Nalka Invest: a Swedish investment company controlling Strukturfonden HC15 AB that invests in small and medium-sized companies mainly in the Nordics, aiming to invest in different industries and to have a diversified portfolio;
 - for Interogo Group: comprises IKEA Holding B.V. (the Netherlands), which has several business areas related to the IKEA furniture business, and Interogo Holding AG (Switzerland), an investment company which focuses on property investments and financial investments;

4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement.
