## **M. 9975 - WARBURG PINCUS / VISTA EQUITY PARTNERS MANAGEMENT / INFOBLOX**

### **SECTION 1.2**

#### **Description of the concentration**

This Notification concerns the proposed acquisition of joint control over Infoblox, Inc. (“Infoblox”) by funds affiliated with or managed by Warburg Pincus LLC (“Warburg Pincus”) and funds affiliated with or managed by Vista Equity Partners Management, LLC (“Vista”) (together, the “Parties”) (the “Proposed Transaction”). Vista currently exercises sole control over Infoblox.

**Warburg Pincus** is a private equity firm headquartered in New York, United States. It currently has approximately US\$ 56 billion of assets under management. Its portfolio companies are active in a variety of sectors, including consumer, industrial and business services (CIS), energy, financial services, healthcare, real estate, and technology, media and telecommunications (TMT).

**Vista** is a US-based investment firm focused on empowering and growing enterprise software, data and technology-enabled businesses. Vista controls a number of portfolio companies that are active in the provision of IT services such as the provision of business software. Vista currently exercises sole control over Infoblox.

**Infoblox** is an IT automation and security company based in Santa Clara, California, United States. It provides software and appliances that automate the assignment of IP addresses and manage the Domain Name System (“DNS”), reducing operating expenses related to network operations. Infoblox also offers DNS security and cloud network automation solutions.
