Dear Sir or Madam,

1. On 1 December 2020, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which Macquarie Infrastructure and Real Assets (Europe) Limited (“MIRA”, United Kingdom) intends to acquire within the meaning of Article 3(1)(b) of the Merger Regulation sole control of some of the assets of ČEZ a.s. (“CEZ”, Czechia), notably its Romanian electricity generation, electricity distribution, and electricity and natural gas retail supply assets (“Romanian assets of CEZ”, Romania) by way of purchase of shares.<sup>3</sup>
2. The business activities of the undertakings concerned are:
  - for MIRA: the management of infrastructure and other real assets, including real estate, energy and agricultural assets. MIRA forms part of the Macquarie Infrastructure and Real Assets division of Macquarie Group Limited, a global investment, banking and financial services provider,
  - for Romanian assets of CEZ: seven companies which together operate an electricity distribution network, a portfolio of renewable energy assets and a retail electricity and gas supply business, all located in Romania.
