Commission decision pursuant to Article 6(1)(b) of Council Regulation (EC) No 139/2004¹ and Article 57 of the Agreement on the European Economic Area²**

Dear Sir or Madam,

1. On 27 November 2020, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which the undertakings Mitsubishi UFJ Lease & Finance Company, Limited ('MUL', Japan) and Hitachi Capital Corporation ('HC', Japan) enter into a full merger within the meaning of Article 3(1)(a) of the Merger Regulation. The concentration is accomplished by absorption of HC into MUL.³
2. The business activities of the undertakings concerned are:
 - for MUL: leasing, as well as financing services in the sectors of real estate healthcare, environment and energy, infrastructure and investment, and aviation and logistics. In the EEA, MUL is primarily active in the provision of operational leases of aircraft, aircraft engines, and marine shipping containers, and of commercial loans.
 - for HC: leasing and financial services. In the EEA, HC is primarily active in the provision of asset-backed financial solutions to businesses (including asset financing, franchise financing, vendor solutions and factoring), personal loans to UK consumers, and automotive leasing to corporations and individuals.
3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of
