Dear Sir or Madam,

1. On 30 June 2021, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which SYNNEX Corporation (“SYNNEX”, United States of America) intends to acquire, within the meaning of Article 3(1)(b) of the Merger Regulation, sole control of the whole of Tech Data Corporation (“Tech Data”, United States of America), by way of exchange of shares.³
2. The business activities of the undertakings concerned are:
 - for SYNNEX: provision of technology products and solutions for IT systems to resellers and retail customers outside the European Union as well as comprehensive logistics, distribution, systems design, and integration services for the technology industry. In the EEA⁴, SYNNEX is only active in the development and sale of custom-made servers and storage solutions for datacentre users,
 - for Tech Data: wholesale distribution of technology products and solutions to resellers on a global basis.

4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement.
