- 2. The business activities of the undertakings concerned are:
  - for Liberty Global: owner and operator of cable networks offering television, broadband internet, fixed-line voice telephony and mobile telecommunications services in several Member States,
  - for InfraVia: company held by funds managed by InfraVia Capital Partners S.A.S., the management company of investment funds specialized in the infrastructure and technology sectors ultimately solely controlled by Mr Vincent Levita,
  - for LNG: a newly constituted joint venture set up to establish and provide fibre-to-the-home internet services in rural districts of several states in Germany.
- 3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(c) of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004.<sup>4</sup>
- 4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.
