**M. 10140 - EFMS / VFMF / FOCUSVISION / CONFIRMIT/ DAPRESY**

**SECTION 1.2**

**Description of the concentration**

The notified concentration consists of two related transfers: (i) EQT Fund Management S.à r.l. (“**EFMS**”), which controls the investment fund EQT Mid Market US Limited Partnership (“**EQT Mid Market US**”), intends to cause EQT Mid Market US Limited Partnership to transfer its portfolio company Clarity Worldwide Holding, Inc., a holding company that indirectly owns FocusVision Worldwide, Inc. (“**FocusVision**”), to a new holding company (the “**JV**”); and (ii) Verdane Fund Manager Future AB (“**VFMF**”, together with EFMS, the “**Notifying Parties**”), which controls the Verdane funds which control Curmit Midco AS, intends to cause Curmit Midco AS to transfer its subsidiary Curmit Bidco AS, a holding company that directly owns Conconfirmit AS (“**Conconfirmit**”), and indirectly owns Dapresy AB (“**Dapresy**”, FocusVision, Conconfirmit and Dapresy, together the “**Targets**”), to the JV (the transfers described as (i) and (ii) above are hereinafter collectively referred to as the “**Transaction**”).

Following the completion of the Transaction, EFMS and VFMF will indirectly through the JV jointly control FocusVision, Conconfirmit and Dapresy within the meaning of Article 3(1)(b) and Article 3(4) of the EUMR.

EQT Mid Market US is an EQT investments fund with a committed capital of approximately USD 688 million. The fund seeks to make investments in middle market companies in North America.

VFMF is the alternative investment fund manager of certain Verdane funds, including the Verdane funds controlling Conconfirmit and Dapresy. Verdane invests in companies with strong growth potential, active in the consumer internet, software, energy and advanced industrial sectors. It holds a diverse portfolio of minority and controlling shareholdings in various companies. Verdane’s regional focus lies on the Nordic countries.

FocusVision, Conconfirmit and Dapresy provide enterprise application software, more specifically survey software.
