Dear Sir or Madam,

1. On 22 December 2021, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which Telekom Deutschland GmbH (“TDG”, Germany), controlled by Deutsche Telekom AG (Germany), and IFM Investors Pty Ltd. (“IFM”, Australia) acquire, within the meaning of Articles 3(1)(b) and 3(4) of the Merger Regulation, joint control of GlasfaserPlus GmbH (“JV”, Germany). The concentration is accomplished by way of purchase of shares.<sup>3</sup>
2. The business activities of the undertakings concerned and the JV are:
  - for TDG: offer of broadband network, mobile telecommunications, and other telecom services to residential and commercial customers,
  - for IFM: investor-owned global investment manager with assets under management across infrastructure, listed equities, private capital and debt investments,
