## **M.10603 - CARLYLE / ALTADIA**

### **SECTION 1.2**

#### **Description of the concentration**

The Carlyle Group, Inc. intends to acquire sole control over Altadia.

- Carlyle is a global alternative asset manager, which manages funds that invest globally across three investment disciplines: (i) Global Private Equity (including corporate private equity, real estate and natural resources funds); (ii) Global Credit (including liquid credit, illiquid credit and real assets credit); and (iii) Investment Solutions (private equity fund of funds program, which include primary fund, secondary and related co-investment activities).
- Altadia is engaged in the development, production and marketing of ceramic tile intermediates that are used in the construction trade only. Ceramic tile intermediates are inputs in the tile production process that provide strength, protection, durability, decoration and other characteristics of the ceramic tile.
