Eurazeo has three main activities: private equity, private debt and real assets. Its portfolio companies are mainly active in Europe (mainly in France) and have a more limited presence in the rest of the world.
 - for FST: the operation of hotels in Spain (Barcelona, Cordoba, Madrid and Oviedo) under the brand Ayre Hoteles. FST also owns a plot of land in Portugal (Porto).
3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(c) of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004.⁴
 4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.
