SECTION 1.2

Description of the concentration

The proposed transaction concerns the acquisition by Booking Holdings Inc. ETG is an OTA headquartered in Stockholm. ETG's business is almost exclusively focussed on the sale of flights (where it is an OTA), and ETG only makes limited accommodation and car rental sales (via white-label arrangements supplied by Booking). ETG is also active to a minimal extent in the supply of airline content distribution services, via TripStack, a business it acquired in 2019.
