M.10834 - AGROFERT / BOREALIS NITRO

SECTION 1.2

Description of the concentration

1. This notification pursuant to Article 4 of Council Regulation (EC) No. 139/2004 relates to a proposed concentration by which AGROFERT, a.s. ("AGROFERT") acquires sole control of a number of companies of the Borealis Group which together form the fertilizer, technical nitrogen and melamine business of the Borealis Group ("Borealis NITRO").
2. AGROFERT Group is a group of companies which is mainly engaged in the following business fields: activities relating to agriculture; activities relating to food production; sale and distribution of agricultural machinery; activities concerning the manufacture of products of organic and inorganic chemistry; activities relating to the forestry industry; and media. Its chemical division includes the production of nitrogen fertilizers and technical nitrogen products.
3. Borealis NITRO is the fertilizer, technical nitrogen and melamine business unit of Borealis Group. It is active in the production and supply of nitrogen fertilizers, technical nitrogen products and melamine products.
