**Commission decision pursuant to Article 6(1)(b) of Council Regulation (EC) No 139/2004<sup>1</sup> and Article 57 of the Agreement on the European Economic Area<sup>2</sup>**

Dear Sir or Madam,

1. On 10 March 2023, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which the undertaking Marcegaglia Carbon Steel S.p.A. ('Marcegaglia', Italy), ultimately controlled by the Marcegaglia Group, intends to acquire within the meaning of Article 3(1)(b) of the Merger Regulation control over the undertaking SIA Severstal Distribution ('SSD', Latvia), together with its two subsidiaries Severstal Distribution Spzoo (Poland) and Severstal Distribution OOO (Ukraine), ultimately controlled by Mr Alexey Alexandrovich Mordashov through the Russian entity Severgroup, by way of purchase of shares.<sup>3</sup>
2. The business activities of the undertakings concerned are the following:
  - Marcegaglia is a family-owned Italian industrial group active in the steel sector, with a focus on trading and processing of steel. It mainly produces carbon steel products, but also, to a smaller extent, stainless steel flat and long products,
  - SSD is a Latvian supplier of imported steel products, active in the treatment and coating of metals and wholesales of metals and metal ores. The sole shareholder of SIA Severstal Distribution is PAO Severstal, a Russian company which is a vertically integrated steel and steel-related mining company with major assets in Russia and investments in other regions.
