SECTION 1.2

Description of the concentration

The European Commission (the “Commission”) has received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which Emerson Electric Co. will acquire, within the meaning of Article 3(1)(b) of the Merger Regulation, sole control of National Instruments Corporation. (10) Emerson Electric Co. is a global supplier of technology and engineering products. National Instruments Corporation is an international manufacturer of modular hardware and flexible software systems for electronic testing and measurement applications used in a range of industrial and commercial settings.
