M.11226 – DIGITALBRIDGE / OMERS / BEANFIELD

SECTION 1.2

Description of the concentration

The Proposed Transaction relates to the acquisition of joint control, within the meaning of Article 3(4) of the Council Regulation (EC) No. 139/2004¹² and Article 3(1)(b) of the Council Regulation (EC) No. 139/2004, by OMERS Administration Corporation (“OMERS”), alongside the existing majority shareholder, investment funds managed by affiliates of DigitalBridge Group, Inc. (“DigitalBridge”), over Beanfield through an indirect equity investment by OMERS in Sundance Holdings Inc. (“Sundance”), the parent company of Beanfield Technologies Inc. (“Beanfield”) (the “Proposed Transaction”).

DigitalBridge is a dedicated, global-scale digital infrastructure investment firm that invests, directly and through its portfolio companies in five key areas: (i) data centres; (ii) cell towers; (iii) fibre networks; (iv) small cells; and (v) edge infrastructure. DigitalBridge is publicly listed on the New York Stock Exchange (ticker symbol: DBRG). DigitalBridge is headquartered in Boca Raton, Florida, with key offices in New York, Los Angeles, London, Luxembourg and Singapore.

OMERS is headquartered in Ontario, Canada and is a Canadian pension fund founded in 1962. OMERS invests and administers pensions for active, deferred and retired employees of municipalities, school boards, libraries, police departments, fire departments and other local agencies in Ontario, Canada.

Beanfield is a Canadian company, headquartered in Toronto, providing commercial and residential fibre optic connectivity, internet and internet-related services, cloud hosting, data centre services, colocation, and voice over internet protocol for greater metropolitan areas, including Toronto, Montreal, and Vancouver. Beanfield has no activities, revenue, or assets in the EEA.
