M.11298 - BILFINGER / STORK EUROPE

SECTION 1.2

Description of the concentration

On 19 January 2024, the European Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 (**EUMR**) involving the acquisition of sole control within the meaning of Article 3(1)(b) EUMR by Bilfinger SE (Germany) (**Bilfinger**) over the continental European business of Stork (Netherlands) (**Stork Europe**) by way of purchase of shares. Stork is currently solely controlled by Fluor Corporation (United States). The transaction primarily concerns the Dutch, Belgian and German entities of Stork.

The business activities of the undertakings concerned are:

Bilfinger: provision of industrial services incl. consulting, engineering, manufacturing, assembly, maintenance to plant expansion and turnarounds, primarily in Europe, North America and the Middle East.

Stork Europe: provision of industrial services incl. construction, maintenance and turnarounds to decommissioning, mainly in the Netherlands and Belgium.
