M. 11527 ENGIE / MACQUARIE / MPBV

SECTION 4

Description of the concentration

On 14 May 2024, the European Commission received a notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 involving the acquisition by ENGIE and MACQUARIE (through MIP VI) of the joint control over MPBV. The undertakings concerned are:

- ENGIE, a global group headquartered in France and active in low-carbon energy, gas and services;
- MIP VI, a fund headquartered in Canada and involved in investment in energy and infrastructure assets located in North America and South America and ultimately controlled by MGL; and
- MPBV, a company headquartered in the Netherlands. MPBV's only activity is to be the owner of the Mexican company Mayakan, which owns and is the permit holder of a natural gas pipeline located in Mexico
