## Batch number / Barcode

## OECD Portal Category

## Description
Baby crawling shoes in different models.

## Country of origin
Vietnam

## Alert submitted by
United Kingdom

## Risk type
Choking

## Risk
The products pose a risk of choking because the rubber moulding on the sole and toe of the shoe can detach, generating small parts that could be swallowed by children. Two complaints have been reported.

## Measures adopted by notifying country
Voluntary withdrawal from the market and recall from consumers by the manufacturer.

## Products were found and measures were taken also in
Belgium
