

## Safety Gate: Rapid Alert System for dangerous non-food products

Alert number	0704/11
Category	Recreational crafts
Type of alert	Products with serious risks
Product user	Consumer
Product	Inboard engines
Brand	Volvo Penta
Name	
Type / number of model	D11-670 Inboard, IPS800 and IPS900 (D11 with IPS transmission)
Batch number / Barcode	
OECD Portal Category	
Description	Diesel inboard engines for leisure boats.
Country of origin	France
Alert submitted by	Sweden
Risk type	Fire
Risk	The alternator cable harness may rub against the oil return pipe from the turbo and, in certain cases, cause a short circuit in the electrical system. There is also a risk that the cable harness might abrade against sharp edges at the alternator. A short circuit in the electrical system can lead to the risk of fire or explosion.
Measures adopted by notifying country	Voluntary corrective action taken by the manufacturer.
Products were found and measures were taken also in	The Netherlands, Iceland, Greece
