Alert number	0949/07
Category	Electrical appliances and equipment
Type of alert	Products with serious risks
Product user	Consumer
Product	Halogen heater
Brand	Dyras
Name	
Type / number of model	QHT-408
Batch number / Barcode	
OECD Portal Category	
Description	The heater has white plastic cover, on the front the heating elements are covered with metal grids. Main parts of the luminaire: mains cable (YA TAI WIRE INDUSTRY Co., LTD., H05VV-F 3G0.75mm ² , VDE); mains plug (Y003, 250V, 16A, +marks of approval); speed switch (JINHE Electrics, 25T125, PA66, 250VAC, 15A, + marks of approval); safety switch (KW3-0Z, 16A, 250VAC, CQC VDE, CE). Technical parameters: 230V; 50 Hz; 800W; Class I.
Country of origin	China
Alert submitted by	Hungary
Risk type	Electric shock
Risk	This product poses a risk of electric shock because the earth protection on the front part is not appropriate (the screws connecting metal parts are not secured against loosening, the resistance is higher than required by the standard) and the basic insulated wires contact metal parts that are not supplied with earthing. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60335.
Measures adopted by notifying country	Withdrawal from the market and recall from consumers ordered by the authorities
