

## Safety Gate: Rapid Alert System for dangerous non-food products

|                                       |  |
|---------------------------------------|--|
| Alert number                          | 1329/07  |
| Category                              | Childcare articles and children's equipment  |
| Type of alert                         | Products with serious risks  |
| Product user                          | Consumer   |
| Product                               | Baby shoes / first socks   |
| Brand                                 | Playshoes  |
| Name                                  |  |
| Type / number of model                | 491167 and 491176  |
| Batch number / Barcode                |  |
| OECD Portal Category                  |  |
| Description                           | Baby shoes in square, transparent packaging measuring 10 cm x 5 cm.  |
| Country of origin                     | Unknown  |
| Alert submitted by                    | Germany  |
| Risk type                             | Choking  |
| Risk                                  | The product poses a serious risk of choking because the pompons on the laces can easily be removed, since they are only glued on. The pompons fit in the small parts cylinder and when the pompons are soaked, there is a risk of choking. |
| Measures adopted by notifying country | Voluntary withdrawal from the market by the importer.  |
