

Safety Gate: Rapid Alert System for dangerous non-food products

Alert number	1684/10
Category	Electrical appliances and equipment
Type of alert	Products with serious risks
Product user	Consumer
Product	Power supply for LED module - TapeLite
Brand	Oversol
Name	
Type / number of model	Type: 10509003 Barcode (on the package): 6410041221564
Batch number / Barcode	
OECD Portal Category	
Description	Electronic control gear for LED module.
Country of origin	China
Alert submitted by	Finland
Risk type	Electric shock
Risk	The product poses a risk of electric shock because: - the clearance and creepage distance from the primary winding to the secondary winding of the transformer is less than 0.5 mm, minimum 5.8mm is required, - during the electric strength test (primary – secondary), a breakdown occurred at 1600V (should withstand 3750V for 1 minute). Due to these defects, user can easily get fatal electric shock from the accessible 12V DC plug in a case of a fault in the device. This product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 61347.
Measures adopted by notifying country	Withdrawal from the market and recall from consumers ordered by the authorities.
