

## Safety Gate: Rapid Alert System for dangerous non-food products

Alert number	A12/00902/20
Category	Motor vehicles
Type of alert	Products with serious risks
Product user	Consumer
Product	Passenger car
Brand	Mercedes-Benz
Name	C-Class
Type / number of model	Type-approval number: e1*2001/116*0431*49-53 Type: 204
Company recall code	4290201
Production dates	The affected vehicles were manufactured between 13 September 2018 and 6 November 2019.
OECD Portal Category	77000000 - Automotive
Description	Model series BR 205.
Country of origin	Germany
Alert submitted by	Germany
Counterfeit *	<b>NO</b>
Risk type	Injuries
Technical defect	The brake discs installed on the front axle may be too small (in diameter and thickness) and would not sit symmetrically in the brake calliper. As a result, the brake lining can wear out and a gap between the piston and the sealing ring can be formed, allowing brake fluid to leak out. This will impair the braking performance, increasing the risk of an accident. /
Risk	
Measures adopted by notifying country	Recall of the product from end users
Products were found and measures were taken also in	Finland, Portugal
