

Safety Gate: Rapid Alert System for dangerous non-food products

Alert number	A12/0776/19
Category	Other
Type of alert	Products with serious risks
Product user	Consumer
Product	Candle
Brand	Unknown
Name	LED Glass Candle
Type / number of model	Unknown
Batch number / Barcode	8718964053902, 8718964053919, 8718964053926
OECD Portal Category	75000000 - Household / Office Furniture / Furnishings
Description	Candle in a glass container with handle. Height approx. 9.5 cm, diameter of base approx. 8.5 cm, diameter of opening approx. 7 cm (inside approx. 5.5 cm). The candle has an inbuilt LED colour-effect function which is activated by the candlelight.
Country of origin	Unknown
Alert submitted by	Germany
Risk type	Burns
Technical defect	The candle is designed in such a way that after a certain time, the paraffin wax heats above the flash point of 199 degrees. This can cause the underlying battery to explode and lead to explosive ejection of hot liquid paraffin and parts of the battery, causing burns.
Risk	When users try to blow out the burning candle, it is also probable that they will be hit in the face by burning paraffin wax and parts of the battery.
Measures adopted by notifying country	Recall of the product from end users
