Description	Pink and white plastic, flip-open, children's mobile phone with pink case. By pressing the buttons it plays four sounds and flashes. It is operated with 3 button cell batteries.
Country of origin	China
Alert submitted by	Hungary
Risk type	Chemical, Choking, Damage to hearing
Risk	The product poses a risk of damage to hearing due to the high sound level. It poses a chemical and choking risk because the lid of the button cell compartment can be opened easily without using a tool and the button cells thus become accessible for children who can swallow them. The product does not comply with the Toys Safety Directive and with the relevant European standard EN 71-1.
Measures adopted by notifying country	Withdrawal of the product from the market and recall of the product from end users
