**Subject: Clarifications regarding the specifications of Call for tender
ECFIN/R4/2008/018**

Dear Madam,
Dear Sir,

Following questions of an interested party regarding the specifications of the above mentioned Call for tenders, we would like to clarify the following:

Question 1:

In scenario 2, you mention that "the graphic and editorial content of the exhibit panels for the stand must be essentially devoted to the Directorate-General for Economic and Financial Affairs and its specialist publications". Could you provide any further indication on the content of the panels (EMU@10, economic policies, coins and banknotes, history of EMU, etc)? Could you provide an indication in terms of number of characters/words required?

Answer to Question 1:

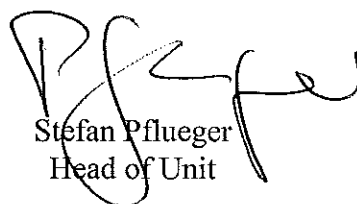

It is up to the tenderer to choose freely.

Question 2:

In scenario 3, you mention the submission of a scale model of the stand, to include the graphic and editorial parts (French version). Could you provide any further indication on the content of the panels (EMU@10, economic policies, coins and banknotes, history of EMU, etc)? Could you provide an indication in terms of number of characters/words required?

Answer to Question 2:

It is up to the tenderer to choose freely.
