

TENDER SPECIFICATIONS
ATTACHED TO THE INVITATION TO TENDER

Invitation to tender N°. TREN/A4/124-2/2009 concerning

'Study on Public Transport SMART Cards'

CORRIGENDUM N°1

Point I.3.3, which reads:

"Report format and publication

Three copies of the reports shall be supplied in paper form and one copy in editable electronic form, either in MS Word or in HTML format.

The Commission may publish the results of the study. For this purpose, the tenderer must ensure that the study is not subject to any restrictions deriving from intellectual property rights of third parties. Should he intend to use data in the study, which cannot be published, this must be explicitly mentioned in the offer."

SHALL READ:

"Report format and publication

Three copies of the reports shall be supplied in paper form **in English** and one copy in editable electronic form **in English**, either in MS Word or in HTML format.

The Commission may publish the results of the study. For this purpose, the tenderer must ensure that the study is not subject to any restrictions deriving from intellectual property rights of third parties. Should he intend to use data in the study, which cannot be published, this must be explicitly mentioned in the offer."
