

EUROPEAN COMMISSION

*Brussels, 12.6.2020
C(2020) 4051final*

Dear President,

The Commission would like to thank the Hrvatski sabor for its 'Work Programme for the consideration of the positions of the Republic of Croatia for the year 2020', presented in relation with the Commission Work Programme 2020 {COM(2020) 37 final}.

In this document, the Hrvatski sabor assigns the analysis and consideration of the Commission's new initiatives and draft legislative acts to its relevant committees.

The Commission thanks the Hrvatski sabor for this information and would like to add that on 27 May it adopted an adjusted Commission Work Programme {COM(2020) 440 final}, which is based on two principles. Firstly, the Commission is determined to deliver on the commitments made in its original Work Programme for 2020. Secondly, because of the nature and scope of the COVID-19 crisis and necessary focus on crisis management, the timing of some of the proposed actions needed to be reviewed. The timeframe of some initiatives has therefore been updated. The adjusted Work Programme confirms that the Commission will focus its actions on overcoming the crisis, jumpstarting our economy and putting the European Union firmly on a resilient, sustainable and fair recovery path.

The Commission believes that the political dialogue with national Parliaments is essential for linking the institutions and the citizens of the European Union, and looks forward to continuing the political dialogue with the Hrvatski sabor in the future.

Yours faithfully,

*Maroš Šefčovič
Vice-President*

*Gordan JANDROKOVIĆ
Speaker of the Hrvatski sabor
