

THE PARLIAMENT OF THE CZECH REPUBLIC
SENATE

8th TERM

312th

Resolution of the Senate

delivered on the 11th meeting held on 4th August 2011

**on the Communication from the Commission to the European Parliament and the
Council Evaluation of EU Readmission Agreements**

(Senate Press no. K 038/08)

The Senate

I.

Agrees

with most of the measures proposed by the Commission in the Communication, especially with those that aim at higher efficiency of the readmission agreements and greater flexibility of the procedure of negotiation thereof;

II.

1. Is not in accordance

with automatic offers of visa facilitation as an incentive for the negotiation of a readmission agreement;

2. Is of the opinion

that the area of human rights should not be included into the provisions of the readmission agreements, as this area is regulated by special Union legislation and the international treaties, that the responsible bodies of the Member States have to apply in the process of returning of an individual;

III.

1. Requests

the Government to inform the Senate about the way this position was taken into account and about further initiatives following this Communication;

2. Authorises

the President of the Senate to forward this Resolution to the European Commission.
