

THE SENATE  
OF THE PARLIAMENT OF THE CZECH REPUBLIC  
8<sup>TH</sup> TERM

665<sup>TH</sup>

RESOLUTION OF THE SENATE

Delivered on the 23<sup>th</sup> session held on 14<sup>th</sup> June 2012

on the legislative package on award of concession contracts and public procurement /Senate Press No. N 136/08, N 137/08, N 138/08/

The Senate

I.

1. **Supports**

the effort of the European Commission to adopt a legal regulation that would ensure on the European level the most efficient use of public funds;

2. **Perceives**

the need of a complex regulation of the rules for granting concessions;

II.

1. **Agrees**

with a progressive transition to electronic public procurements that will bring significant financial and time savings;

2. **Fears**

that dividing of the procurements into smaller parts might consequently be easily abused to circumvent the legal limits;

3. **Points out**

the risks that would result from favouring of small and medium-sized enterprises as an end to itself, as such businesses may not always dispose of sufficient experience, equipment and human and financial resources;

III.

1. **Requests**

the Government to inform the Senate about the way this position was taken into account and to provide the Senate with further information on the proceeding of negotiations;

**2. Authorises**

the President of the Senate to forward this Resolution to the European Commission.
