THE SENATE  
OF THE PARLIAMENT OF THE CZECH REPUBLIC  
11<sup>TH</sup> TERM

**319<sup>TH</sup>**

**RESOLUTION OF THE SENATE**

Delivered on the 11<sup>th</sup> session held on 6<sup>th</sup> December 2017

**on the Communication from the Commission to the Council and the European Parliament A European One Health Action Plan against Antimicrobial Resistance (AMR)**

**(Senate Print no. K 61/11, COM(2017)339)**

**The Senate**

**I.**

**1. Got Acquainted**

with the European Action Plan "One Health" against Antimicrobial Resistance (AMR);

**2. Is Aware**

that the growing antimicrobial resistance poses a serious problem with significant health, social and economic impacts;

**3. Is of the Opinion**

that in order to handle antimicrobial resistance successfully, it is necessary to proceed from principles of "One Health" reflecting the fact that health of people and animals is interrelated and that diseases are transmitted from people to animals and vice versa, thus they have to be treated simultaneously;

**4. Stresses**

the need for a systematic approach based on expertise and for the coordination of activities on the national, European and international level for dealing with antimicrobial resistance;

**5. Supports**

the Government in its efforts to apply the approach "One Health" following the European Action Plan and to utilize an interdisciplinary approach when searching for solutions to the antimicrobial resistance;

**6. Urges**

the Government to complete the work on its new action plan and inform the Senate about it;

**II.**

**1. Requests**

the Government to inform the Senate about the way this resolution was taken into account and about further development of negotiations;

**2. Authorises**

the President of the Senate to forward this Resolution to the European Commission.
