6. **has the view** that certain tasks of the Union Network for product conformity are not clearly defined in the draft and therefore have the potential to indirectly affect the performance of the powers of the national market surveillance authorities;

8. **expresses concern** that the Proposal confers a large number of powers on the Commission to issue implementing acts;

9. **takes into account** the Proposal for a Regulation of the European Parliament and of the Council on the mutual recognition of goods lawfully marketed in another Member State /COM (2017)796 final, Council Code 15965/17/;

12. **authorizes** the Chairman of the Committee for European Affairs to forward this resolution to the President of the European Commission **in the context of the Political Dialogue**.
