THE SENATE  
OF THE PARLIAMENT OF THE CZECH REPUBLIC

11<sup>TH</sup> TERM

50<sup>TH</sup>

**RESOLUTION OF THE SENATE**

Delivered on the 4<sup>th</sup> session held on 18<sup>th</sup> December 2018

**on the Proposal for a Regulation of the European Parliament and of the Council on preventing the dissemination of terrorist content online /Senate Print No. N 181/11, COM(2018) 640/**

**The Senate**

**I.**

**1. Supports**

the prevention of dissemination of terrorist content online;

**2. Points out, however,**

in accordance with the position of the Government, that the submitted proposal contains many legal uncertainties which must be resolved during the negotiations; in particular it is necessary to clarify the jurisdiction of relevant national authorities for taking coercive measures, the relation between the proposal and Directive 2000/31/ES on electronic commerce and to avoid imposing an excessive administrative and financial burden on small and medium enterprises;

**3. Supports also**

the request of the Government for the extension of the proposed six-month period for the coming of the Regulation into effect because the Regulation will require the adoption of accompanying national laws;

**II.**

**1. Requests**

the Government to inform the Senate about the way this resolution was taken into account and about further development of negotiations once the provisional political agreement on the final text of the proposal between the Council and the European Parliament is reached;

**2. Authorises**

the President of the Senate to forward this resolution to the European Commission.
