

SENATE OF THE PARLIAMENT OF THE CZECH REPUBLIC

14TH TERM

71st

RESOLUTION OF THE SENATE

Delivered on the 4th session held on 14th December 2022

on the Communication from the Commission to the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Regions Environmental Implementation Review 2022 Turning the tide through environmental compliance /Senate Print no. K 203/13, COM(2022) 438/

The Senate

I.

1. Considers

the submitted Communication to be useful background material;

2. Calls on the Government to:

- address the recommendations of the European Commission following from the Environmental Implementation Review Country Report concerning the Czech Republic;
- start to effectively measure and evaluate the effectiveness and frugality of financial resources spent on environmental protection and to collect and implement both critical suggestions and comments;
- continue with its efforts in the area of circular economy and to take further necessary steps and concrete measures to increase circularity and prevent the generation of waste;
- focus primarily on protection and improvement of air quality which remains a significant problem and to present concrete measures including a time frame for their implementation;

II.

1. Requests

the Government to inform the Senate no later than on 30 June 2023 about the way this Resolution was taken into account;

2. Authorises

the President of the Senate to forward this Resolution to the European Commission.
