

**Opinion**  
**of the Foreign and European Union Affairs Committee**  
**of the Senate of the Republic of Poland**  
**on the proposal for a Regulation of the European Parliament and of the Council**  
**amending Regulation (UE) 2019/631 as regards strengthening the CO2 emission**  
**performance standards for new passenger cars and new light commercial vehicles in line**  
**with the Union's increased climate ambition**  
**COM(2021)556**  
**adopted at the sitting held on 23<sup>rd</sup> November 2021**

Taking into account the opinion of the Special Committee on Climate adopted at the sitting held on 3-4 November 2021, the Foreign and European Union Affairs Committee delivers the following opinion:

1. The Foreign and European Union Affairs Committee and the Special Committee on Climate (the Committees) support the draft regulation.
2. At the same time, the Committees draw attention to the need to take into account the problem of preventing transport exclusion in the course of further negotiations.
