Dear President,

The Commission would like to thank the Camera Deputaților for its Opinion on the Commission's Communication on the future of VAT – Towards a simpler, more robust and efficient VAT system tailored to the single market {COM(2011) 851 final}.

The Communication has laid down the priorities and a practical work programme for the coming years with several proposals to come as well as a number of in-depth studies.

The Commission can assure the Camera Deputaților that during that process the Commission will keep in mind the objectives of easing the administrative burdens on economic operators and making tax administrations more efficient, which you have rightly highlighted in your opinion.

The Commission looks forward to continuing our political dialogue on these important issues.

Yours faithfully,
