

**Opinion of the Romanian Chamber of Deputies on the  
Communication from the Commission to the European Parliament, the Council, the  
European Economic and Social Committee and the Committee of the Regions  
Making the most of the EU's innovative potential  
An intellectual property action plan to support the EU's recovery and resilience  
COM(2020) 760**

The Chamber of Deputies stressed the need for a joint and coordinated effort by Member States for the education of the young generation on intellectual rights and recommended that a European campaign be carried out to raise awareness of the importance of intellectual prosperity of the cultural and creative sectors. Also, the Chamber of Deputies recommended that prudence be exercised in regulating online platforms broadcasting video content, so as not to affect freedom of expression.
