

**ROMANIAN PARLIAMENT  
CHAMBER OF DEPUTIES**

**Executive Summary**

Decision to adopt the Opinion on the  
**Communication from the Commission to the European Parliament, the  
Council, the European Economic and Social Committee and the Committee of  
the Regions - Contingency plan for ensuring food supply and food security in  
times of crisis**

**COM(2021) 689**

The Chamber of Deputies supports the Contingency plan for ensuring food supply and food security in times of crisis, by emphasizing the connection between the quality of health and the availability of natural food adequate for a good metabolism.

The Chamber of Deputies recommends the creation of a permanent mechanism to monitor the level of preparedness of the European Union to fight against food security threats and the review of specific vulnerabilities of the isolated rural areas, in order to prevent malnutrition and alleviate the crisis impact.

The Chamber of Deputies deems essential to coordinate the Contingency plan with the natural disaster preparedness plans and to accompany it with a comprehensive communication strategy, as well as to create a monitoring mechanism, through digital platforms, to ensure stock records of agricultural products in the European Union, in order to safeguard the food supply and food security in times of crisis.
