

**Decision of the Romanian Chamber of Deputies to adopt the
Opinion on the Communication from the Commission to the European Parliament, the
Council, the European Economic and Social Committee and the Committee of the
Regions
On making sustainable products the norm
COM(2022) 140**

The Chamber of Deputies:

- Supports the Communication from the Commission to the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Regions – On making sustainable products the norm;
- Recommends the use of opportunities offered by the digital environment to reduce the pressure of human activities on the environment and to create a culture of virtual services in administration and business;
- Recommends the development of a flexible policy, regulatory and administrative framework aimed at reducing the impact of price increases on consumers and applying incentives to adopt new technologies contributing to the circular economy.
