Dear Presidents,

The Commission would like to thank the Congreso de los Diputados and the Senado for their Opinion on the proposal for a Decision of the European Parliament and of the Council on the Participation of the Union in the Partnership for Research and Innovation in the Mediterranean Area (PRIMA) jointly undertaken by several Member States {COM(2016) 662 final}.

The Commission welcomes the Congreso de los Diputados' and the Senado's support for strengthening Euro-Mediterranean cooperation through research and innovation.

The Commission acknowledges the potential to integrate national research and innovation policies and programmes in order to develop innovative solutions addressing some of the key challenges that the Mediterranean area is facing.
