

EUROPEAN COMMISSION

*Brussels, 1.10.2018
C(2018) 6064 final*

Dear Presidents,

The Commission would like to thank the Cortes Generales for their Opinion on the proposal for a Regulation of the European Parliament and of the Council on the European Globalisation Adjustment Fund {COM(2018) 380 final}.

This proposal forms part of a broader package of ambitious measures designed as a response to the social challenges the Union is facing. Taking into account the changing realities of the world of work, the Union shall be made ready for the current and future challenges of globalisation and digitisation, making growth more inclusive and by improving employment and social policies.

The proposal is currently being discussed by the European Parliament and the Council. The Commission hopes that an agreement on the proposal can be reached before the end of the current term of the European Parliament.

The Commission welcomes the support expressed by the Cortes Generales and looks forward to continuing the political dialogue in the future.

Yours faithfully,

*Frans Timmermans
First Vice-President*

*Marianne Thyssen
