C(2023) 362 final*

Dear Presidents,

The Commission would like to thank the Cortes Generales for their Opinions on the proposals for a Directive of the European Parliament and of the Council on adapting non-contractual civil liability rules to artificial intelligence (AI Liability Directive) {COM(2022) 496 final} and a Directive of the European Parliament and of the Council on prohibiting products made with forced labour on the Union market {COM(2022) 453 final}.

The Commission appreciates that the Cortes Generales decided to analyse these proposals and welcomes their conclusion that the proposals comply with the principles of subsidiarity and proportionality.

The Commission believes that the political dialogue with national Parliaments is essential for linking the institutions and the citizens of the European Union, and looks forward to continuing it with the Cortes Generales in the future.

Yours faithfully,
